Objective

An aspiring software developer with knowledge in software engineering practices such as coding, testing, code reviews, code comments, etc. Strong ability to communicate with clients and ability to express ideas clearly and concisely. Strong knowledge of HTML, C#, MySQL, .NET Framework.

Skills

- **C#, .NET Framework, .NET Core**
- **SQL Server, Entity Framework**
- **HTML, CSS**
- **Version Control (Git)**
- **Agile Development Methodologies**
- **Unit Testing (xUnit)**

Work Experience

Accenture   **Gurugram, Haryana**
Custom Software Engineering Associate   *Feb 2022 - Jan 2023*

- Developed and maintained web applications using C#, ASP.NET, and SQL Server.
- Tested and debugged code to ensure that it was error-free and met the required specifications.
- Worked closely with other members of the development team to ensure that software applications were delivered on time and met the needs of the business.
- Participated in code reviews to ensure that the code written by other team members was of high quality and met the required standards.
- Worked closely with clients and team, analyzing user requirements and translating them into technical requirements.

Work Projects

Abacus Recruitment - Accenture CIO   **Aug 2022 - Jan 2023**

- **Technology Used:** .NET Core, Onion Architecture, Microservices, PostgreSQL, Azure DevOps.
- Developed a dynamic recruitment website with a robust and scalable software foundation using .NET Core and Onion Architecture.
- Implemented Microservices architecture, enhancing maintainability and flexibility with independently deployable components.
- Collaborated across all application layers (Domain, Application, Infrastructure, and Presentation) to deliver a comprehensive and high-performance solution.
- Utilized PostgreSQL as the database management system, ensuring efficient data storage and streamlined management for the application.
- Effectively managed code repositories and facilitated seamless team collaboration using Azure DevOps, a cloud-based platform for efficient development and deployment.

- **Technology Used:** Sitecore

- Developed an E-Commerce website using Sitecore, providing a user-friendly and responsive experience.

- Worked on-site, fostering increased collaboration and seamless communication with the client's team.

- Took charge of creating, editing, and publishing content on the Sitecore platform, ensuring accuracy, relevance, and top-notch quality.

- Successfully managed day-to-day activities, including team coordination, daily meetings, and task delegation.

- Demonstrated adaptability to the client's work culture and environment, showcasing potential for travel and relocation if required.

Education

Bansal Institute of Engineering And Technology **Lucknow, Uttar Pradesh**
Bachelor of Technology in Electrical Engineering, Percentage: 71% *2017 - 2021*

Kalind Inter College **Deoria, Uttar Pradesh**
Intermediate, Percentage: 67% *2016 - 2017*

Saraswati Gyan Mandir Inter College **Kushinagar, Uttar Pradesh**
High School, Percentage: 81% *2014 - 2015*

Certifications

- Certified: Accenture: Tech Expressway Program on .NET

- Certified: Udemy: C#

- Certified: Udemy: Git, GitHub & Markdown Crash Course

- Certified: Udemy: Introduction to Microservices

- Certified: Softpro India Computer Technologies Pvt Ltd: IoT
